

Compact Service Corps Logo and Media Policy

The Compact Service Corps Program (CSC) is made available by Campus Compact state offices in Colorado and Montana. It is funded by the Corporation for National and Community Service as an AmeriCorps Program serving students in Arizona, Colorado, Montana, Nebraska, North Dakota and South Dakota. As such, it is the policy of the Compact Service Corps Program that logos for CSC, AmeriCorps and Campus Compact be used on all promotional and program materials. The logos are available on the Colorado Campus Compact website at <http://www.cccompact.org/programs/csc/forms>. Questions about this policy may be directed to the Colorado Campus Compact Executive Director, Stephanie Schooley, at sschoole@regis.edu or 303-964-5084.
